

F. B. CATE REAL ESTATE AGENCY

The money you throw away in poor speculations would be better invested in real property which stays where it is put. You who do not own your home, figure up the amount you have spent in rent during your life. Better use paper and pencil, for it may prove to be an arithmetical problem. Now you can see for yourself what a poor investment your so-called home has been.

THIS HOUSE is a bargain. It is on John Street. Contains six rooms closets and pantry. It has a nice bath-room with hot water connections, hard wood finish, has been recently painted and shingled. A nice, large lot, 115 1/2 by 82 1/2 feet. Is insured for \$1,000.00. Price only \$1,500.00. Small payment down and balance as rent.

THIS SEVEN-ROOM COTTAGE is located on Humbert Street, near the Ward 5 school-house. This also has bath with hot water connection. Just as good a cellar as there is in the city, with granite underpinning. Bay window and two piazzas. Lot is 80 1/2 by 65 feet. Corner lot. This house has been built only three years. Price, \$1,600.00. Small payment down. Balance at five per cent.

THE FARMS we have on our lists are too numerous to mention here. Come in and look over our description of them and see if you don't find just what you want.

We not only have houses and farms, but we have many different kinds of business to sell—granite quarries, machine-shops (doing a good business), stores, restaurants, etc. Remember the place.

The Recollection of Quality Remains
Long After the Price is Forgotten.

Our willingness to place Fox Typewriters on free trial anywhere at all times is an evidence of our desire to have our machine submitted to the most critical tests.

Past experience with the Fox in some of the large offices using typewriters in this country, has proved our claim that the Fox will effect a saving of from 10 to 25 per cent in the work for which typewriters are employed.

We have made arrangements with C. H. Kendrick & Co., 54 North Main Street to keep in stock the Fox Typewriter there. Mr. Kendrick will exhibit to you and explain the advantages of the Fox Typewriter. Please call on them or address us in the Averill Block.

Jumped from Moving Electric Car. Miss Annie Trombley, of Springfield, Mass., who is visiting her uncle, Solomon Todriff, in West Rutland, jumped from a rapidly moving trolley car Sunday evening, July 9, and was badly injured. The conductor, because of a large number of passengers, did not see her signal to stop, and she jumped from the car without even touching the steps. The girl, who is only thirteen years old, struck on her head and shoulders. She was made unconscious by the shock and did not regain her senses until the following night. Her condition is now better and it is believed that she will recover.

YOUR HAT

May Be a Stylish One, But It Makes Trouble.

A man usually buys a hat that's "in style," but the modern hat for men has lots to answer for.

Baldheads are growing more numerous every day. Hats make excellent breeding places for the parasite germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of dandruff it is a sure sign that these countless germs are busily at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbro's Herpicide to the scalp—it will kill the germs and healthy hair is sure to result.

Sold by leading druggists. Send the stamps for sample to The Herpicide Co., Detroit, Mich.

Bellows Falls Looking Up.

The proposition to purchase the bobbin factory at Bellows Falls and lease to E. A. Peck of East Middlebury is still being agitated. It is said that the factory cost the Alden Spence's Sons' company \$12,000. The proposition is to form a stock company and raise enough local money to purchase the factory and then lease to E. A. Peck for 10 per cent of the cost. It is said that if Mr. Peck opens business there he will employ 40 or 50 hands. A party was in Bellows Falls last week and looked over the Casen plant and something may come of the later.
